

Free COVID-19 Vaccine Transport Brighton & Hove

Free transport option now available to help people get to and from their COVID-19 vaccination appointment

Brighton & Hove residents who have no means to get to their COVID-19 vaccination appointment will be able to book a free return journey to help them attend

How do I book?

To book free travel please book your vaccination appointment first and then call 0300 303 8060 to speak to a travel coordinator. The booking service is available between 10:00-13:00 and 14:00-17:00 Monday to Friday.

COVID Safe

All transport providers have signed up to a COVID-19 safety policy

A travel coordinator will ask you a few questions:

Do you have access to transport to attend your vaccine appointment?

Do you have a family member, friend or carer who can help with transport? (They do not have to be in your bubble as per government guidelines)

to ensure that all precautions are in place for a safe journey.

No to both these questions?

A travel coordinator will arrange transport for you, including any additional needs such as wheelchair-friendly vehicles.
