The council wants to know what you think about the Direct Payment Support Service

If you receive a Direct Payment and are supported with your finances or to be an employer of PAs then we want your opinions on what you think is going well, what isn’t going so well and what you think are the gaps in the service. This will inform how we re-commission the service in the future.

Come to an independent focus group on 4th May 2017, 12 noon-2pm, Hove Town Hall, Norton Road, Hove, BN3 3BQ

If you wish to attend please phone Judith Cooper on 01273 296313 or email judith.cooper@brighton-hove.gov.uk
